Notes:

1. Minimum credits required to graduate:128
2. Required courses:62 credits; elective courses: 38 credits (excluding credits earned from university-wide common core requirements and general education courses.
3. University-wide common core requirements and general education courses total 28 credits. The relevant regulations are based on the school's "Implementation Regulations of Courses in the College of General Education", "Course Schedule of College of the General Education," and "Implementation Regulations of Language Education".
4. 8 credits in English and/or a second foreign language are required to graduate.
 - A. The English proficiency graduation requirement for domestic students is CEFR B1 level or higher with related grade report or transcript. For departments with higher English proficiency requirements, the requirements will be in effect.
 - B. Students who fail to meet the graduation requirement after two attempts at English proficiency tests during their academic years may fulfill it by passing any of the following:
 - a) School's English proficiency graduation test,
 - b) Participation in a short-term English improvement course offered by the Foreign Language Education Center and compliance with the course regulations,
 - c) Taking and passing at least one professional course that adopts English as a Medium of Instruction (EMI) offered by the college or the department which is worth two or more credits.
 - C. Students with a TOEIC score of 550 or above (equivalent to CEFR B1 level) are exempt from Practical English (1) and (2) (4 credits); those achieving a TOEIC score of 785 or above (equivalent to CEFR B2 level) are exempt from Practical English (1), (2), (3) and (4) (8 credits), but must take elective courses like English for Specific Purposes (ESP) courses or other foreign languages to meet the English and/or second foreign language graduation credit requirements. For courses of other foreign languages, please refer to the course schedule of the Foreign Language Education Center.
5. Credits earned by students from the common courses offered by their respective colleges shall be accepted as their affiliated departments' professional courses. However, credits earned from interdisciplinary courses offered either by their colleges or by other colleges will be accepted as credits earned from departments outside their own.
6. Departmental requirements (programs, certifications, licenses, recognition of external department credits, and other requirements): [\(The content is determined by each academic program.\)](#)
 - A. 12 credits from courses outside the department are recognized.
 - B. If Marketing Management I is not passed in a given semester, Marketing Management II cannot be taken (blocked course).
